Resort Summary	Established in 1956, Crystal Mountain is a family-owned, four seasons resort destination located 28 miles southwest of Traverse City and only a short drive to Sleeping Bear Dunes National Lakeshore. We encourage you to check out our website and check out our location on Google maps! The resort is a premiere destination for weddings and other meeting and banquets so there are a lot of events happening on site during the summer months! All employees enjoy competitive wages, a fun work environment, seasonal recreational benefits, and resort discounts. Students can expect a full time/40 hour work week; there are no second jobs available. We offer comfortable, affordable housing that is located on property. Lots of amenities are included in the weekly rent, including on site coin operated laundry, Wi-Fi, and free access to the gym located on resort property. All employees receive a 35% discount on meals and access to resort amenities! We have a shuttle service available to students that will provide transport into town for groceries and amenities and for cultural activities throughout the season. There is also a local bus service (the Benzie Bus!) that provides transport from the Resort to Crystal Lake or to a connector bus which takes you into Traverse City or Interlochen! Our overall mission is to be the stage for the exceptional experience that connects people with themselves, others, nature, and ideas. We are dedicated to the guests we serve, the employees we trust, and the community we support. We invite you to be a part of the mountain magic and join the Midwest's Premier Family Resort! We look forward to meeting you this summer!
